What to bring if you are a new patient:

- A driver's license or current photo identification
- Current insurance card
- All new patient forms from our website completely filled out and signed

Returning patients:

Returning patients will need to provide current insurance information and we will verify/compare information and photo from the preceding visit(s).

We thank you in advance for understanding this and being prepared to provide us with the information.

What To Expect:

- Arrive fifteen minutes early
- Sign in and have a seat
- Front desk will call you to gather your information
- You will be asked to turn in or fill out an intake form
- Your copay, co-insurance or deductible will be collected
- A nurse will then call you back to collect your medical information
- Your photo will be taken to protect your medical security
- You will see your provider
- Any lab work will be performed in our office if your provider has ordered it
- Make a return appointment if necessary
